

On the Radio

There have been a number of opportunities to preach on the radio over the year. In Mbale and on Operation Philip in Jinja. Originally there was the local radio in Walukuba which was 2 loudspeakers on the top of a tree. The gospel was preached, and the sick prayed for. One man with heart problems was healed and turned up and told Bishop Ojiambo the next day he had been healed.

In Mbale a lady rang in to say that she had been praying for her friend for a number of years and as we prayed her friend was delivered.

Lots of other prayer requests for jobs and so on answer.
